FALL SPORTS PROGRAMS REGISTRATION - 2010

Registration for the 2010 fall sports programs will be BY MAIL only. All children MUST BE registered members of the Hillcrest Community Youth Department in order to participate. The season will begin Sunday, September 19, 2010.

The fall sports program this year will be different from prior years. We will continue to have soccer for girls in grades 1 through 8 on Sunday mornings at 9:30. (There are two separate divisions broken down by grade.)

All of the boys programs take place in the afternoon. Boys in grades 1 – 3 will play soccer; grades 4 – 6 will play flag football; grades 7 – 8 have the option of football or roller hockey. We will only be able to have both sports if we get enough kids to have competitive teams.
